

SKILLBUILDERS GROUP PROGRAMME

SOCIAL EYES

For Years 3-6

This small group programme aims to support children in exploring and understanding various social interactions. It focuses on helping them recognize and interpret different social cues, build confidence in social situations, and develop language skills that enhance their ability to express themselves and connect with others in ways that feel authentic and comfortable for them. Some of the topics covered within the group include:

- understanding body language and personal space
- the conversation train: how to start, continue and stay on track in conversations
- building friendships
- learning about ourselves and the different types of relationships with people around us
- dealing with problems/conflict in friendships
