

SKILLBUILDERS GROUP PROGRAMME

TODDLER SAY AND PLAY

For Toddlers Under 3

Toddlers Say and Play is designed and run by Occupational Therapists and Speech Pathologists, specialising in optimising children's development.

We will develop expressive, receptive, and pragmatic (social) language while participating in play-based activities.

Toddler Say & Play addresses gross motor, fine motor, self-help (dressing, eating, etc.) skills as well as sensory processing abilities.

For more information please contact us on 9332 2223 or 0418 940 946 (Caryn).
